Now that you have completed all the fields, do NOT hit the Submit button until you review all fields for accuracy. In particular please double check that the Student's ID number and your agency's code are entered correctly. If you need to change information, please do so now. Also mark on the student's paper Support Services form that you have entered the student's support services received information into the online GradStar Database.

After you hit the Submit button, the system will notify you of any REQUIRED items that you have not yet answered. Simply return to those items, provide the data, and then hit the Submit button again. The online system will then let you know it has received your completed form. To return to the GradStar Forms site, simply click on the CLICK HERE message.
